# Significant Strategic Partnerships to Support Local Manufacturing

Building Local Manufacturing Leadership through Strategic Global Partnerships

## Oral Oncology - Boston Oncology partnership

- Activating the cooperation agreement signed with Boston Oncology
- significant strategic step to support local manufacturing and enhance innovation
- Transfer the technology and local manufacturing of four innovative oral oncology
- Enhances oncology portfolio depth and supports growth in high-value segments

## High Potent Facility - AstraZeneca Partnership

- High Potent facility developed with AstraZeneca to support local manufacturing
- Focus on oncology and specialty medicines within the portfolio
- Supports localization and advanced manufacturing capabilities in Saudi Arabia
- Aligns with Vision 2030 and pharmaceutical manufacturing growth strategy

# Securing Future Growth with Vaccine and Biosimilar Agreements

Recent partnerships strengthen revenue base, reinforcing alignment with Vision 2030 and National Biotech Strategy

## MCV4 Vaccine - CanSinoBIO Partnership

- MCV4 protects against key meningococcal strains common in the MENA region
- SPIMACO to exclusively commercialize MCV4 in KSA and select regional markets
- Local production and regulatory work managed by SPIMACO
- Supports vaccine portfolio growth and regional public health goals

## Influenza Vaccines - CNBG Collaboration

- Exclusive deal with CNBG to supply and manufacture flu vaccines in KSA and MENA
- Addresses high-volume, seasonal demand and prevention needs
- Aligns with national targets for vaccine self-reliance and biotech capacity
- Framework includes potential expansion into other biologics

## ALT-L9 Biosimilar - Altos Agreement

- ALT-L9 is an aflibercept biosimilar for major eye conditions
- SPIMACO to market ALT-L9 in 16 MENA markets, including Saudi Arabia
- Local manufacturing and regulatory oversight handled by SPIMACO
- Enhances biosimilar presence and ophthalmology portfolio depth

# FY 2025 Financial Performance

# FY 2025 Results: Margin Expansion with Modest Revenue Growth

## P&L trends and highlights in FY 2025

<sup>1</sup> Net changes in property, plant, equipment, assets under construction and intangibles.

<sup>2</sup> Cash & equivalents includes cash from discontinued operations where applicable.

# Strategy Execution Continues, with Practical Adjustments Ahead

## Closing remarks

### Key Developments and Way Forward

---

- ◆ Continued progress in operational excellence, with improved cost discipline and stronger production planning.
- ◆ Successful commercialization of the High Potent facility marks a key milestone in advancing capabilities.
- ◆ Expansion of manufacturing footprint in Morocco and Egypt, improving regional reach and flexibility.
- ◆ Strategic partnerships accelerated, with multiple agreements across vaccines, biosimilars, and specialty medicines, improving long-term pipeline visibility and supporting localization ambitions.
- ◆ Improved quality of earnings driven by better product mix, cost optimization, and enhanced utilization of existing assets, despite modest top-line growth
- ◆ Stronger financial position supported by increased operating cash flow, reduced leverage, and improved balance sheet flexibility, enabling continued investment in growth priorities

# Disclaimer

Saudi Pharmaceutical Industries and Medical Appliances Corporation (SPIMACO, Tadawul: 2070) prepared this presentation on a proprietary basis as general background information about the activities of SPIMACO. The information contained herein is given in summary form and for discussion purposes only. Some of the information that is relied upon by SPIMACO is obtained from sources believed to be reliable, but SPIMACO (nor any of its directors, officers, employees, agents, affiliates or subsidiaries) does not guarantee the accuracy or completeness of such information and disclaims all liability or responsibility for any loss or damage caused by any act taken as a result of the information. This presentation including the information covered therein is not intended either to be relied upon or construed as an advertisement for, or an offer, solicitation or invitation to sell or issue, or to subscribe, underwrite or otherwise acquire any securities in any jurisdiction. It should and must not be treated as giving tax, legal, investment or other specialist advice or a recommendation to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor. Neither shall any part of this information nor the fact of its distribution form part of or be relied on in connection with any contract or investment decision or commitment relating thereto, nor does it constitute a recommendation regarding the subject of this presentation.

All statements included in this presentation other than statements of historical facts, including, without limitation, those regarding financial position, business strategy, plans and objectives of management for future operations (including development plans and objectives) are forward-looking statements and may thus include words like "anticipate", "believe", "intend", "estimate", "expect", "will", "may", "project", "plan" and such other words of similar meaning. Such forward-looking statements are based on numerous assumptions regarding present and future business strategies and the relevant future business environment. Any forward-looking statements speak only as of the date of this presentation and SPIMACO expressly disclaims to the fullest extent permitted by law any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements contained herein to reflect any change in expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based. Due to rounding, numbers and percentages presented throughout this presentation may not add up precisely to the totals provided.

SPIMACO is not under any obligation to update, complete, amend, revise or keep current the information contained herein, and any opinions expressed herein are subject to change materially without notice. Accordingly, no representation or warranty, express or implied, is or will be made by SPIMACO, their respective advisors or any such persons' directors, officers or employees, or any other person as to the accuracy, completeness or fairness of the information or opinions contained in this presentation, and any reliance you place on them will be at your sole risk. Investors must rely solely on their own examinations of the relevant documentation in making a determination as to whether to invest in the securities described. An investor should seek independent professional advice when deciding if an investment is appropriate. Securities that may be discussed herein may not be suitable for all investors. Investors are required to make their own independent investigation and appraisal of the business and financial condition of SPIMACO and its subsidiaries, the nature of the securities and the merits or suitability of the securities or any transaction to any investor's particular situation and objectives, including the possible risks and benefits of purchasing any securities. Any such determination should involve an assessment of the legal, tax, accounting, regulatory, financial, credit or other related aspects of the offering or the securities. Without prejudice to the foregoing, SPIMACO, their advisors and any such persons' directors, officers or employees expressly disclaim any liability whatsoever, in negligence or otherwise, for any loss howsoever arising, directly or indirectly, from use of, or reliance on, this presentation or its contents or otherwise arising in connection therewith.
